EDUCATION

M.G.M.'s Jawaharlal Nehru Engineering College

B.Tech(2023-2026)

M.G.M.'s Polytechnic College

Diploma in Computer Engineering
(2019-2022)

SUMMARY

Computer Engineering student with a strong foundation in web development and a passion for creating innovative digital solutions. Proficient in front-end and back-end technologies, skilled at designing responsive and user-friendly interfaces. Experienced in collaborating on diverse projects, demonstrating problem-solving skills and delivering high-quality results within deadlines. Eager to apply technical expertise and practical experience to enhance contributions within the TEDxMGMU web development team.

WORK EXPERIENCE

QuickCabs Website (Frontend Developer):

Developed responsive and user-friendly interfaces for the QuickCabs website using HTML, CSS, and JavaScript. Implemented design mockups to enhance user experience and navigation.

OneBlood Android App (Project Involvement):

Played a key role in overseeing the functionality of the OneBlood Android app, ensuring seamless operation and usability. Collaborated with the development team to streamline features and improve user interaction.

SKILLS

- C
- Java
- HTML/CSS/JavaScript
- PHP/MySQL
- Android

MD8 E-commerce Site (Full Stack Developer):

Designed and implemented both front-end and back-end functionalities for the MD8 e-commerce site. Developed dynamic pages, integrated various APIs, and optimized performance to enhance user engagement and sales.

Currency Converter(API-Integration):
